

Directions to find Hunters Rest

Porlock

On entering the village on the A39, follow the High Street into the centre until you see the Church of St. Dubricius. Turn into Parsons Street and pass the entrance to the Recreation Ground on your left. Keep an eye open for the water mill on your right (if you reach a fork in the road you have gone much too far). Immediately in front of the water mill is the start of Mill Lane. Follow Mill Lane to the top (ignore the tracks off to the right and left) until the lane ends and you will find Hunters Rest in front of you.
